North Carolina's Northeast Committee of 1000, Inc.

The North Carolina's Northeast Committee of 1000, Inc. works with the North Carolina's Northeast Commission to market the northeast region as a location for new and expanding business and tourism development.

Members of the Committee of 1000 are business and community leaders who contribute via annual memberships to provide private funds for improving economic conditions in Northeastern North Carolina. Members devote their individual expertise to improving the economic vitality of North Carolina's Northeast.

Membership includes both large and small businesses representing a diverse range of professions including banking, law, engineering, architecture, accounting, development, financial services, insurance, construction, real estate, utilities, academia, manufacturing, distribution, and retail.

www.ncnortheast.com

The North Carolina's Northeast Commission works within a 16-county region to increase the standard of living through industrial, business, and tourism development. The commission brings economic improvement by marketing the region for business, tourism, and quality of life.
